

EDUCATION WEEK IN FRIESLAND ABOUT THE FRIESIAN HORSE 2013

DO YOU WANT TO KNOW
EVERYTHING ABOUT
THE FRIESIAN HORSE?

THIS IS YOUR CHANCE!!

In 2007 and also 2009 we organized an Education Week with information about the Friesian Horse especially for foreign members. This was a big success and that is why we are organizing this course again for 2013.

On this course we will teach you all the things you need to know about judging the Friesian Horse including the racial aspects, the conformation, structure of the legs, lameness and leg defects and the movements. We will also give a guide to the order of inspections. We will also have an presentation from veterinary surgeon giving all sorts of im-

portant information. We will give information about our breeding goal, and we are going to visit one of our inspections to judge a long with on of our inspectors in small groups. We are planning to go driving with Friesian Horse one evening.

The course will be organized in a week when there will be many other attractions/ events to visit in Friesland.

The language is going to be in English but we also have books in the German language and some documents in French and Spanish.
